Mutual fund investing involves risk. The value of your investment in a Fund could go down as well as up. Multi-investment management styles may lead to overlapping securities transactions and higher transaction expenses compared to single investment management styles. Outcomes depend on the skill of the sub-advisers and adviser and the allocation of assets amongst them.

Before you invest in the Destinations Funds, please refer to the prospectus for important information about the investment company, including investment objectives, risks, charges and expenses. You may also obtain a hard copy of the prospectus by calling 1-877-771-7979. The prospectus should be read and considered carefully before you invest or send money.

Any tax or legal information provided is not an exhaustive interpretation of some of the current income tax regulations. Investors must consult their tax advisor or legal counsel for advice and information concerning their particular situation. Neither the Fund nor any of its representatives may give legal or tax advice.

The Destinations Funds are distributed by Foreside Fund Services, LLC.
