**IMPORTANT NOTICE OF INTERNET AVAILABILITY OF INFORMATION
STATEMENT REGARDING RECENT SUB-ADVISER CHANGE**

An Information Statement regarding a recent sub-adviser change related to the Destinations Large Cap Equity Fund (the “Fund”), a series of Brinker Capital Destinations Trust (the “Trust”), is now available online for your review and information. We encourage you to access and review the Information Statement online, using the instructions included in this Notice.

At an in-person meeting held on June 6, 2019, the Board of Trustees of the Trust (the “Board”) approved the selection of Mellon Investments Corporation (“Mellon”) as a sub-adviser for the Destinations Large Cap Equity Fund (the “Sub-Adviser”). Over the coming weeks, the new Sub-Adviser will be allocated assets within the Fund by Brinker Capital, Inc. (the “Adviser”), the Fund’s overall investment adviser. The Adviser will continuously monitor the new Sub-Adviser’s performance with respect to the allocated portion of the Fund’s assets, in addition to monitoring the Fund as a whole and the other sub-advisers. Information about the new Sub-Adviser was also included in the Trust’s annual update to its prospectus, which was filed with the U.S. Securities and Exchange Commission (the “SEC”) at the end of June and mailed to shareholders shortly thereafter.

This Notice is being provided to you in lieu of a paper copy of the Information Statement, as permitted under the terms of an exemptive order granted to the Adviser and the Trust by the SEC.

This Notice presents only a brief overview of the changes – the online Information Statement provides more complete information. The Information Statement will be available on the Trust’s website at www.destinationsfunds.com for at least 90 days after you receive this Notice.

A paper copy of the full Information Statement or other Fund related information may be obtained, without charge, by calling (877) 771-7979 or by writing to the Brinker Capital Destinations Funds, P.O. Box 2175, Milwaukee, WI 53201.

July 31, 2019

Dear Shareholder,

This Information Statement is being made available to shareholders of the Destinations Large Cap Equity Fund (the “Fund”), a portfolio of Brinker Capital Destinations Trust (the “Trust”), to notify shareholders of a recent portfolio management change for the Fund. The Trust operates pursuant to an order of exemption from the U.S. Securities and Exchange Commission issued on March 16, 2017 (the “SEC Order”) that permits Brinker Capital, Inc. (the “Adviser”), the investment adviser of the Fund, to enter into, change or terminate agreements with investment sub-advisers with the approval of the Trust’s Board of Trustees, but without obtaining Fund shareholder approval. As a condition of the SEC Order, the Adviser is required to make available to shareholders information about any new sub-adviser or new sub-advisory agreement and to notify Fund shareholders when the information becomes available.

We are not asking you for a proxy and you are not required to send us a proxy.

Please take a few minutes to review this Information Statement and thank you for investing in the Fund.

Sincerely,

/s/ Jason B. Moore

DESTINATIONS LARGE CAP EQUITY FUND

Appointment of a New Sub-Adviser

At a meeting of the Board of Trustees (the “Board”) of Brinker Capital Destinations Trust (the “Trust”) held on June 6, 2019 (the “Meeting”), Brinker Capital, Inc. (the “Adviser”) recommended and the Board, including all of the trustees who are not an “interested person” of the Trust (“Independent Trustee”) as defined in the Investment Company Act of 1940, as amended (the “1940 Act”), approved Mellon Investments Corporation (“Mellon”) as a sub-adviser to the Destinations Large Cap Equity Fund (the “Fund”).

Under the terms of the new sub-advisory agreement, Mellon makes investment decisions for the portion of the assets of the Fund allocated to it by the Adviser, and continuously reviews, supervises and administers the Fund’s investment program with respect to those assets.

Adviser’s Recommendation and the Board’s Consideration

The Adviser recommended Mellon as a sub-adviser because it believes that Mellon is suited to help the Fund meet its overall investment objective. Mellon seeks to invest in stocks that will outperform a certain benchmark index through fundamental analysis and the implementation of a process that seeks to identify stocks with attractive valuation, strong fundamentals, and a catalyst for business improvement.

In considering Mellon, the Board received written and oral information from the Adviser and Mellon. The Board also met with representatives of the Adviser and Mellon and considered information provided by Mellon and the Adviser about Mellon’s portfolio manager, investment philosophy, strategy and process, as well as other factors. In approving Mellon as a sub-adviser to the Fund, the Board evaluated the information provided by the Adviser and Mellon regarding: (i) the nature and quality of the services expected to be rendered to the Fund; (ii) the investment objectives and policies of the Fund; (iii) the history, reputation, qualifications and background of Mellon and Mellon’s personnel and Mellon’s financial condition; (iv) the performance record of Mellon; and (v) other factors deemed relevant. The Board also reviewed the fees to be paid by the Adviser to Mellon, including any benefits to be received by Mellon in connection with soft dollar arrangements or other than from its sub-advisory fees. The Board used this information and other information it deemed relevant, in making its decision to approve Mellon as a sub-adviser to the Fund and reached the following conclusions:

Nature, Extent and Quality of Services.

The Board concluded, based on the information provided by the Adviser and Mellon, that the nature, extent and quality of the investment advisory services expected to be provided by Mellon were adequate and appropriate in light of the experience and the qualifications of Mellon and its investment personnel, Mellon’s portfolio management and research resources to be applied in managing the portion of the Fund’s assets allocated to it, how Mellon would complement the Fund’s existing sub-advisers, the adequacy and scope of Mellon’s compliance program and the Adviser’s recommendation to engage Mellon.

Investment Performance.

The Board discussed with representatives of the Adviser the investment strategy to be employed by Mellon in the management of its portion of the Fund’s assets. The Board took into account the Adviser’s experience and reputation in selecting, evaluating and overseeing investment advisers.

Sub-Advisory Fee, Expense Ratio and Economies of Scale.

The Board reviewed and considered the sub-advisory fee that, under terms of the proposed sub-advisory agreement, would be payable by the Adviser to Mellon, and, thus, should not directly impact the overall fees paid by the Fund. The Board concluded that the proposed fee payable to Mellon by the Adviser with respect to the Fund assets to be allocated to Mellon was reasonable and appropriate. The Board recognized that, because Mellon's fee would be paid by the Adviser, and not the Fund, an analysis of profitability was more appropriate in the context of the Board's consideration of the management agreement between the Trust and the Adviser. The Board received and considered a profitability analysis of the Adviser with respect to the addition of Mellon as a sub-adviser for the Fund and determined that the Adviser's profitability would not be excessive in light of the nature, extent and quality of the services to be provided to the Fund by the Adviser and Mellon, noting in particular the existence of an ongoing contractual fee waiver that limits the total amount of advisory fees that may be retained by the Adviser to 39 basis points of the Fund's assets. Similarly, the Board recognized that, because Mellon's fee would be paid by the Adviser, and not directly by the Fund, an analysis of economies of scale with respect to Mellon was more appropriate in the context of the Board's consideration of the management agreement between the Trust and the Adviser. Accordingly, economies of scale with respect to Mellon were not considered relevant at that time to the Board's decision to approve the sub-advisory agreement with Mellon. The Board also concluded that any other benefits that could be expected to accrue to Mellon by virtue of its relationship with the Fund were reasonable.

Other Considerations.

After full consideration of the factors discussed above, with no single factor identified as being of paramount importance, the Board, with the advice of Fund counsel, resolved to approve the sub-advisory agreement with Mellon, having determined that the agreement would be in the best interests of the Fund.

Following the Board's approval, the Adviser entered into a sub-advisory agreement with Mellon, and Mellon began managing the assets of the Fund allocated to it by the Adviser on June 14, 2019. The Adviser determined that the initial target percentage of the Fund's assets allocated to Mellon would be approximately 15 percent.

The New Sub-Advisory Agreement

The terms of the new sub-advisory agreement with Mellon are substantially similar to the terms of the agreements with the other sub-advisers to the Fund, except for the sub-advisory fee rate payable by the Adviser to Mellon.

Under the new sub-advisory agreement, Mellon makes all investment decisions for the portion of the Fund's assets allocated to it, and continuously reviews, supervises and administers the Fund's investment program with respect to those assets. Mellon discharges its responsibilities under the new sub-advisory agreement subject to the supervision of the Adviser and the Board and has agreed to do so in a manner consistent with the Fund's investment objective, policies and limitations. The new sub-advisory agreement is dated June 6, 2019 and has an initial term ending June 6, 2021. Thereafter, the continuance of the new sub-advisory agreement requires the annual approval of the Board, including a majority of the Independent Trustees.

For its services to the Fund under the sub-advisory agreement, Mellon receives a sub-advisory fee based on the average daily net asset value of the assets of the Fund allocated to Mellon. As a result of the addition of Mellon as a sub-adviser to the Fund, the total sub-advisory fees paid by the Adviser with respect to the Fund decreased by 4 basis points from 24 basis points to 20 basis points and the portion of the total advisory fee retained by the Adviser remained equal to 39 basis points. The total advisory fee retained by the Adviser continues to be limited by a contractual fee waiver pursuant to an agreement that shall remain in effect until June 30, 2020.
