DESTINATIONS LARGE CAP EQUITY FUND

Appointment of a New Sub-Adviser

At a meeting of the Board of Trustees (the “Board”) of Brinker Capital Destinations Trust (the “Trust”) held on December 11-12, 2024 (the “Meeting”), Orion Portfolio Solutions LLC d.b.a. Brinker Capital Investments (the “Adviser”) recommended and the Board, including all of the trustees who are not “interested persons” of the Trust (each an “Independent Trustee”) as defined in the Investment Company Act of 1940, as amended (the “1940 Act”), approved Federated MDTA LLC d.b.a. MDT Advisers, a division of Federated MDTA LLC (“FMDTA”) as a sub-adviser to the Destinations Large Cap Equity Fund (the “Fund”).

Under the terms of the new sub-advisory agreement, FMDTA makes investment decisions for the portion of the assets of the Fund allocated to it by the Adviser, and continuously reviews, supervises, and administers the Fund’s investment program with respect to those assets.

Adviser’s Recommendation and the Board’s Consideration

The Adviser recommended FMDTA as a sub-adviser because it believes that FMDTA is suited to help the Fund meet its overall investment objective. FMDTA seeks to maximize returns through an active, systematic investment approach with an analytical edge. FMDTA uses advanced modeling techniques which harness the benefit of machine learning to identify a diverse range of unique alpha opportunities that drive differentiated active performance outcomes.

In considering FMDTA, the Board received written and oral information from the Adviser and FMDTA. The Board also met with representatives of the Adviser and FMDTA and considered information provided by FMDTA and the Adviser about FMDTA’s portfolio managers, investment philosophy, strategy and process, as well as other factors. In approving FMDTA as a sub-adviser to the Fund, the Board evaluated the information provided by the Adviser and FMDTA regarding: (i) the nature and quality of the services expected to be rendered to the Fund; (ii) the investment objectives and policies of each of the Fund and FMDTA’s strategy; (iii) the history, reputation, qualifications and background of FMDTA and its investment personnel and FMDTA’s financial condition; (iv) the performance record of FMDTA; and (v) other factors deemed relevant. The Board also reviewed the fees to be paid by the Adviser to FMDTA, including any benefits to be received by FMDTA in connection with soft dollar arrangements or other than from its sub-advisory fees. The Board used this information and other information it deemed relevant, in making its decision to approve FMDTA as a sub-adviser to the Fund and reached the following conclusions:

Nature, Extent and Quality of Services.

The Board concluded, based on the information provided by the Adviser and FMDTA, that the nature, extent and quality of the investment advisory services expected to be provided by FMDTA were adequate and appropriate in the context of (i) the experience and the qualifications of FMDTA and its investment personnel; (ii) FMDTA’s portfolio management and research resources to be applied in managing the portion of the Fund’s assets allocated to it; (iii) how FMDTA would complement the Fund’s existing sub-advisers; (iv) the adequacy and scope of FMDTA’s compliance program; and (v) the Adviser’s recommendation to engage.

Investment Performance.

The Board discussed with representatives of the Adviser the investment strategy to be employed by FMDTA in managing its portion of the Fund’s assets. In particular, the Board reviewed the performance of FMDTA’s investment strategy from 2013 through September 30, 2024, including against benchmark indexes. The Board also reviewed the performance of the investment strategy on an annualized basis over various time periods and market conditions and considered how certain sector exposures had contributed to recent performance. The Board took into account the Adviser’s experience and reputation in selecting, evaluating and overseeing investment advisers.

Sub-Advisory Fee, Expense Ratio and Economies of Scale.

The Board reviewed and considered the sub-advisory fee that, under the terms of the proposed sub-advisory agreement, would be payable by the Adviser to FMDTA, and, thus, should not directly impact the overall fees paid by the Fund. The Board concluded that the proposed fee payable to FMDTA by the Adviser with respect to the Fund's assets to be allocated to FMDTA was reasonable and appropriate. The Board recognized that, because FMDTA's fee would be paid by the Adviser, and not the Fund, an analysis of profitability was more appropriate in the context of the Board's consideration of the management agreement between the Trust and the Adviser. The Board received and considered a profitability analysis of the Adviser with respect to the addition of FMDTA as a sub-adviser for the Fund and determined that the Adviser's profitability would not be excessive in light of the nature, extent and quality of the services to be provided to the Fund by the Adviser and FMDTA, noting in particular the existence of an ongoing contractual fee waiver that limits the total amount of advisory fees that may be retained by the Adviser to 44.4 basis points of the Fund's assets. Similarly, the Board recognized that, because FMDTA's fee would be paid by the Adviser, and not directly by the Fund, an analysis of economies of scale with respect to FMDTA was more appropriate in the context of the Board's consideration of the management agreement between the Trust and the Adviser. Accordingly, economies of scale with respect to FMDTA were not considered relevant at that time to the Board's decision to approve the sub-advisory agreement with FMDTA. The Board also concluded that any other benefits that could be expected to accrue to FMDTA by virtue of its relationship with the Fund were reasonable.

Other Considerations.

After full consideration of the factors discussed above, with no single factor identified as being of paramount importance, the Board, with the advice of Fund counsel, resolved to approve the sub-advisory agreement with FMDTA, having determined that the agreement would be in the best interests of the Fund.

Following the Board's approval, the Adviser entered into a sub-advisory agreement with FMDTA, and FMDTA began managing the assets of the Fund allocated to it by the Adviser on January 30, 2025. The Adviser determined that the initial target percentage of the Fund's assets allocated to FMDTA would be approximately 18%.

The New Sub-Advisory Agreement

The terms of the new sub-advisory agreement with FMDTA are substantially similar to the terms of the agreements with the other sub-advisers to the Fund, except for the sub-advisory fee rate payable by the Adviser to FMDTA.

Under the new sub-advisory agreement, FMDTA makes all investment decisions for the portion of the Fund's assets allocated to it, and continuously reviews, supervises and administers the Fund's investment program with respect to those assets. FMDTA discharges its responsibilities under the new sub-advisory agreement subject to the supervision of the Adviser and the Board and has agreed to do so in a manner consistent with the Fund's investment objective, policies, and limitations. The new sub-advisory agreement is dated January 29, 2025, and has an initial term ending January 28, 2027. Thereafter, the continuance of the new sub-advisory agreement shall continue automatically for successive annual periods, provided such continuance is specifically approved at least annually by: (i) the Board or (ii) a vote of a "majority" (as defined in the 1940 Act) of the Fund's outstanding voting securities, provided that in either event the continuance also is approved by a majority of the Board who are Independent Trustees of any party to the new sub-advisory agreement, by vote cast in person (or otherwise, as consistent with applicable laws, regulations and related guidance and relief) at a meeting called for the purpose of voting on such approval.

For its services to the Fund under the sub-advisory agreement, FMDTA receives a sub-advisory fee based on the average daily net asset value of the assets of the Fund allocated to FMDTA. As a result of the addition of FMDTA as a sub-adviser to the Fund, the total sub-advisory fees paid by the Adviser with respect to the Fund decreased by 1 basis points from 17 basis points to 16 basis points and the portion of the total advisory fee retained by the Adviser remained equal to 44.4 basis points. The total advisory fee retained by the Adviser continues to be limited by a contractual fee waiver pursuant to an agreement that shall remain in effect until June 30, 2025.
